CATEGORY OF MEMBERSHIP

There shall be four categories of membership

1. LIFE MEMBER
2. ASSOCIATE MEMBER
3. HONORARY MEMBER
4. EMERITUS MEMBER

LIFEMEMBER

A medical doctor holding a post-graduate degree/diploma after MBBS, from any university recognized by the Medical Council of India or the National Board of Examinations and with an active interest in the field of medical and biological ultrasound, whose scientific stature is in keeping with the aims of the federation, not in retrospect but from the date of the approval by the executive committee, will be eligible to be enrolled as a life member.

A medical doctor holding only an MBBS degree but practicing ultrasound continuously for a period of 15 years shall also be eligible to be a life member. They need to produce their PC & PNDT registration certificate as proof of practice.

ASSOCIATE MEMBER

Any MBBS doctor from any institute recognized by the Medical council of India shall be eligible to become an associate member after due approval of the executive committee. An associate member, on completion of a post graduate degree/diploma recognized by the MCI/NBE shall be eligible to become a life member, after payment of the necessary fees, as approved by the executive committee.

An associate member can also become a Life Member on fulfilling the following two criteria:

(1) Legally valid Certification of training in Ultrasound. (2) Five years of practice in Ultrasound after becoming associate member or attending three USCONS and having published three Ultrasound related papers in indexed or Nationally recognized journals. after payment of the necessary dues. An associate member is not eligible to contest for any post of the executive committee / federation. He/she will not have any voting rights.

HONORARY MEMBER

Eminent members of the medical profession, who have special interest or contributions to the field of ultrasonography and allied sciences, shall be enrolled as honorary members. Such membership is open to both, Indian and international scientists. The proposal of honorary membership must be duly proposed and seconded by two life members of the association and must be ratified by the general body. These members shall have no voting rights.

EMERITUS MEMBERS

Any life member with minimum of 20 years membership of the federation and has attained the age of 70 years or has retired from active practice by reason of physical disability, shall be eligible to be an emeritus member.

Such members will continue to have voting rights. No delegation fee shall be charged to the emeritus members at any conference/ CME /educational activity conducted under the auspices of the federation.

MEMBERSHIP SUBSCRIPTION

The following shall be the membership fee structure to enrol any new member:

Life membership fee - Rs. 10,620/- (includes WFUMB membership)

Associate member fee - Rs. 8850/- (does not include WFUMB membership)

The structure of the membership subscription will be formulated and altered by the executive committee, from time to time, to be ratified for execution by the general body. Subscription shall only be accepted in DD/CASH or by electronic transfer (NEFT).]

For married female doctors - if your certificates are in maiden name and your present name is different, then, kindly send an affidavit stating change of name from maiden name to present name or kindly send certified copy of marriage certificate attested through proper authority.
